M a d r a s.

Sir,

In connection with the construction and maintenance of a Veterinary Hospital in this district the Government -- were pleased to order that the necessary buildings would be provided at the cost of Provincial Funds on the condi- tion that the District Board met the maintenance charges, vide G.O.No. 234 L, dated 13th February 1912. According- to this arrangement a building has been provided by Govern -ment and the hospital is being maintained by the District Board. A dressing shed, a latrine and a lamp-post are said to be absolutely necessary for the hospital. Esti- mates aggregating Rs 830 for providing these necessaries

√

have been received from the District Board Engineer and sanctioned by the District Board. From the cnlosed copy of their resolution on the subject, it will be seen that while the -- Board have agreed to provide the lamp-post estimated to cost-- Rs 35 they consider that the dressing shed and latrine should be provided by Government from Provincial Funds in accordance-- with the arrangement sanctioned in the G.O.quoted above, seei that a dressing shed and latrine are necessary adjuncts of an -- hospital building. I have the honour to request, therefore, that a grant of Rs 795 may be sanctioned from Provincial Funds for -- the construction of the dressing shed and latrine unless Government propose to get them constructed by the Public Works Department.

I have the honour to be,

Sir,

Subject: Construction of a dressing shed and a latrine for the Veterinary Hospital Mangalore. C/No. 1876 L from the PDB S Kanara 39s 2d 19.3.20.

The South Kanara District Board requests that the Cost of the dressing shed and the latrine for the Veterinary Hospital at Mangalore should be provided by Govt. from provincial funds in accordance with the arrangement sanctioned in G.O. 234 L dt 13.2.1912. The dressing sheds and latrines have not been ~~sanctioned~~ included in the list of buildings indispensably necessary for a veterinary Hospital, yet ~~they seem to be necessary additions of a hospital building~~. In G.O. no. 93 L dated 22.1.18 the Govt. sanctioned a grant of Rs 40 to the Coimbatore District Board for the Construction of a temporary shed for the Veterinary Hospital at Erode. As the question is however one Chiefly for Revenue to decide, the remarks of that department may first be invited.

From the Supt. C.V.D. No 1048 dt 7.6.20

To Under Secy,

The Supt recommends that both the dressing Block and the latrine are absolutely necessary for the Vety. Hospital at Bangalore and that they may be sanctioned at an early date. Said that the Supt's recommendation may be supported in this deptt. and the file passed on to L and M for the issue of necessary orders.

3rd Supdt. says that the buildings are really necessary for the hospital. Regret not included in the list; buildings undoubtedly necessary for the hospital (Note by 16.6.20) Approved in case the same hopefully recommended for application in future. Secretary cannot think advisable to have a latrine

3/1

Could the dressing shed & latrine
I sanctioned be financed this
year? The District Board built
the Hospital did they not out of
Government grant? and
Financially would just up
their buildings
